1. Purpose

The purpose of this policy is to outline Viking Security NW Limited's commitment to minimising the environmental impact of our operations and promoting sustainable practices throughout our business activities.

2. Scope

This policy applies to all employees, contractors, and operations of Viking Security NW Limited. It covers office-based activities, site operations, procurement, and service delivery.

3. Policy Statement

Viking Security NW Limited is committed to protecting the environment by preventing pollution, reducing waste, and using resources efficiently. We will comply with all relevant environmental legislation and continuously strive to improve our environmental performance.

4. Environmental Objectives

Our objectives include:

- Reducing energy consumption in our operations.
- Minimising waste and promoting recycling.
- Reducing greenhouse gas emissions from company vehicles.
- Sourcing materials and products from environmentally responsible suppliers.
- Raising environmental awareness among staff and stakeholders.

5. Responsibilities

- Management is responsible for implementing and monitoring this policy.
- All employees must comply with environmental procedures and practices.
- The Environmental Officer will oversee sustainability initiatives and compliance.
- Contractors and suppliers are expected to operate in an environmentally responsible manner.

6. Environmental Practices

- Using energy-efficient lighting, heating, and equipment.
- Implementing recycling schemes in offices and on sites.
- Encouraging car-sharing, cycling, and use of public transport.

- Proper disposal of hazardous materials.
- Regular training on environmental awareness for employees.

7. Continuous Improvement

We will regularly review our environmental impact, set measurable targets for improvement, and report progress to management and stakeholders.

8. Review

This policy will be reviewed annually, or sooner if there are significant changes in environmental legislation or company operations.
